

THE RAIL INDUSTRY'S LABOUR HIRE SPECIALISTS

RAIL CAPABILITIES >

WHO WE ARE

On Track Rail Solutions strive to be the number one Labour Hire provider to the Rail Industry.

On Track Rail Solutions was established in 2017 by a multi-disciplinary group with backgrounds in the rail, construction, finance & recruitment industries.

Our management team is composed of highly experienced individuals, with skills and expertise in many areas including project management, construction management, safety, engineering, finance, planning and operations management.

At On Track Rail Solutions we understand that the Rail Industry is different to other construction sectors and that employees are required to have unique sets of skills and work experience.

We have built an extensive employee data base so that we can guarantee you suitable candidates. All our employees have gone through a thorough interview process so that we can consistently find our clients the best quality workers.

We value honesty and we look to build long term successful relationships with clients. We know the importance of having a reliable and productive workforce and that is always at the forefront of our consultants' minds. We can guarantee that the workforce we supply will meet the requirements of the brief that you have provided plus our consultants are always contactable during the contract period to ensure the best level of service.
